We are looking forward to Friday too!! I take it that you received the fax of the signed contract? Here are the entree orders for lunch:

7 nachos

12 pepperoni pizzas

10 cheese pizzas

4 hot dogs

I also told the kids to bring extra money for snacks and food other than what their "lunch" covers.

Email or text me any additional info needed before Friday

My cell is 438-9231

Thanks again!

Hi Kim,

I have information for you regarding your rental inquiry. We would be able to do what you're asking for \$8. per student. This would include any siblings that come along with parent chaperons. Teachers and parents would be free of charge for building entry, but they will need to purchase any food they consume.

This would give the students admittance into the facility, one entree, one snack item and one drink. Entrees would include pizza, nachos or hot dogs. We request that these items be pre-ordered so we can be prepared. Snacks would be one candy OR chips, not both, and drinks would be canned soda or bottled water.

I think the easiest way to do this would be for you to give each student three tickets, one for food, one for a drink and one for a snack. We would collect those as they are served and once a student has used all of his/her tickets, they would need to purchase anything more they wanted.

If you have any other questions, please don't hesitate to ask. I'll be happy to help you.

Thank you for your interest in Victory. We appreciate the opportunity to serve the students of Columbia Elementary.

Sincerely,  
Sandra Laws  
Administrative Assistant  
VMSC
